Looking for Full-time or Part-time Opportunities?

Why Commissionaires?

Award-Winning Employer of Choice

Forbes has ranked Commissionaires in its list of Canada's Best Employers (2016, 2017 and 2018). This year, Commissionaires is the only security company to rank among Canada's best employers.

We Give Back to Military and RCMP Veterans

Commissionaires is Canada's largest private sector employer of Canadian Armed Forces and RCMP veterans—we're 21,000 strong from coast to coast. For generations, we've upheld a reputation for integrity, a work culture of camaraderie, and a history of giving back to those who have served our country.

Opportunities to Advance

Beyond entry-level positions, you can pursue opportunities such as supervisor positions, fingerprinting, criminal background checks, security operations and monitoring, non-core policing, mobile alarm response, workplace investigations, threat risk assessments, and specialized jobs (free training, free uniforms, competitive wages and benefits packages, hundreds of internal competitions every year)

Hear from One of Your Own

After 36 distinguished years in the CAF, seven ribbons and three rosettes, CWO Gerry Blais (Ret'd) credits his career in the military as being the reason he joined Commissionaires. Gerry, now a Major (Cmre), is the section supervisor at National Defence HQ overseeing a team of more than 400 commissionaires who support a large-scale 24/7 security operation in conjunction with the military police: <http://bit.ly/GerryCAF>
