## Why Commissionaires?

### Award-Winning Employer of Choice

Forbes has ranked Commissionaires in its list of Canada's Best Employers (2016, 2017 and 2018). This year, Commissionaires is the only security company to rank among Canada's best employers.

### We Give Back to Military and RCMP Veterans

Commissionaires is Canada's largest private sector employer of Canadian Armed Forces and RCMP veterans—we're 21,000 strong from coast to coast. For generations, we've upheld a reputation for integrity, a work culture of camaraderie, and a history of giving back to those who have served our country.

### Opportunities to Advance

Beyond entry-level positions, you can pursue opportunities such as supervisor positions, fingerprinting, criminal background checks, security operations and monitoring, non-core policing, mobile alarm response, workplace investigations, threat risk assessments, and specialized jobs (free training, free uniforms, competitive wages and benefits packages, hundreds of internal competitions every year)

### Hear from One of Your Own

Cmre Devon Riley, a Use of Force screening officer in Ottawa, says joining the Reserve Force has given him the best of both worlds—having a full-time job in the civilian world during the day, and being a soldier one evening a week and one weekend a month: <http://bit.ly/DevonReserve>
