Mr. Benny Schreurs  
Member of the KTR Organizing Committee "Operations Faust"  
Member of the Royal Canadian Legion Branch 005

Dear Mr. van't Oost and Mr Schreurs,

Thank you very much for your letter of April 12, 2018, and for all the work you do through "Keep Them Rolling" to commemorate the sacrifice of Canadian and other Allied soldiers during the Second World War. I am humbled by the commitment of Dutch women and men like you, who give so much to the memory of Canada's Fallen.

I was very pleased to learn of your plans to mark "Operation Faust" in the spring of 2020. I agree that Canada's part in this critical humanitarian endeavour, which relieved the suffering of so many, is worthy of recognition in your 75th Liberation anniversary year.

I am fully supportive of this initiative and would be delighted to join the Recommendation Committee.

If the Embassy of Canada can be of further assistance to you, I welcome you to contact Mr. Marcel Louwman at [Marcel.Louwman@international.gc.ca](mailto:Marcel.Louwman@international.gc.ca) or at tel.: 070 311 1642.

Yours sincerely,
